

FOOD & BEVERAGE SAMPLING GUIDELINES & APPLICATION

All exhibitors and sponsors must adhere to Schmidt's exclusive contract at the Ohio Expo Center, prohibiting outside food or beverage. If you are sampling food and/or beverage products, please read to the following guidelines:

- **Sampling is allowed only if related to the exhibitor's business.**
- Lawful manufacturers or distributors of food and/or beverage products may distribute samples within assigned booth space only.
- Alcoholic products are NOT permitted to be sampled or sold.
- Samples may not exceed one (1) bite-sized piece of a sold product and two (2) ounces by volume of a non-alcoholic beverage.
- Health Department guidelines must be followed for sample distribution.
